Dear Hon. Kpoto:

Subj: **PROVISIONAL APPROVAL OF DRAFT PROCUREMENT PLAN FOR THE FISCAL YEAR 2026**

We present our compliments and wish to acknowledge receipt of your letter, which sought the approval of the Commission for the Ministry of Health, Nyokolitahun Health Center Draft Procurement Plans for FY 2026, in accordance with **Section 40(3)** of the PPC Act. The Commission, however, wishes to inform you that your plan has been Provisionally Approved pending the passage of the national budget.

Please be advised that your Entity can carry out procurement activities based on this provisionally approved draft procurement plan, culminating in **framework agreements** for recurrent procurement items. Similarly, you are also advised to carry out procurement activities for non-recurrent procurement items in advance of the passage of the National Budget, but contracts for these packages **MUST** not be signed until the President approves the budget and you ascertain the availability of funding. Please ensure to include notifications of this information in the tender documents for both framework agreements and advance procurement.

Upon passage of the FY 2026 National Budget, you are required to submit a revised/updated procurement plan, a detailed budget for MoH-NHC's allocation in the approved budget, Cash Plan, names and positions of Procurement Committee members for FY 2026, and the staff of your Procurement Unit. You are also required to submit the Bill of Quantities prior to receiving final approval by the Commission.

Please be reminded to duly submit your contract award information for all procurement contracts awarded in the previous fiscal year 2025, as stated. The said submission will serve as a precursor for the Commission granting you final approval of your procurement plan for fiscal year 2026.

The Public Procurement and Concessions Commission admonishes and deems it a priority that you remain primarily compliant with the PPCA, 2026, as we jointly aspire to achieve transparency, accountability, fairness, equality, and ultimately public confidence in our procurement and concessions processes.

Sincerely yours,

 Rodgers Scott Johnson (Hon.)
