Dear Dr. Kpoto:

Subj: **APPROVAL OF GOVERNMENT HOSPITAL-GRAND BASSA COUNTY ANNUAL CORE AND SBA PROCUREMENT PLAN FOR FISCAL YEAR 2026.**

We present our compliments and wish to acknowledge receipt of your communication dated February 4, 2026, which sought the approval of the Commission for the Government Hospital-Grand Bassa County Annual Core and SBA Procurement Plan for Fiscal Year 2026.

Following thorough review, the Commission hereby approves Government Hospital-Grand Bassa County Annual Core and SBA Procurement Plan for Fiscal Year 2026 in accordance with *Section 40 (3)* of the PPCA, 2026, and informs the Ministry of Health that the Government Hospital-Grand Bassa County Annual Core and SBA Procurement Plans Procurement Plan for 2026 will be duly forwarded to the Ministry of Finance and Development Planning (MFDP), and that the MFDP will process allotments in keeping with the approved procurement plan. Dear Hon. Johnson:

Submission of the Liberia Government Hospital-Grand Bassa County Procurement Plan, Explanatory Notes, and Budget Summary under the Government of Liberia (GOL) Funded Budget for FY: 2026

I am pleased to present my compliments and submit the above-mentioned Procurement Plan along with the attached narratives and budget summary for your approval for FY: 2026.

Regarding those procurable items where the Restrictive Bid Method is used, it is because vendors/firms, or suppliers of those commodities mentioned are widely known on the Liberian market.

According to the 2010 Amended Public Procurement & Concessions Acts on national competitive bid (48-1), the procuring entity shall employ national open competitive bidding procedures for procurements in which the estimated contract price of the procurement does not exceed the ceiling threshold applicable to national open competitive bidding.

The attached plan is consistent with the Amended Public Procurement & Concessions Act of 2010, Part-IV, Section 40(3) which states,

“After review and any modification by the Procurement Committee, the Procurement Committee shall furnish a copy of the annual procurement plan to the Commission for approval.”

Attached is documentary evidence of budget to authenticate the availability of funds for the above-mentioned activities.

We look forward to a speedy response to enhance the process.

Sincerely yours,

L. Kpoto
