Dr. Emmanuel K. Urey Yarpkawolo
EXECUTIVE DIRECTOR
Environmental Protection Agency
Republic of Liberia

Dear Dr. Yarpkawolo:

Subject: PPCC RESPONSE: REQUEST FOR "NO OBJECTION" TO AWARD CONTRACT TO BLECO GROUP TO PROCURE AND INSTALL AUTOMATIC RAINFALL AND SYNOPTIC STATIONS - FISCAL YEAR 2025

We present our compliments and wish to acknowledge receipt of your letter which sought the approval of the Commission for the Environmental Protection Agency (EPA) to award contract to Bleco Group to procure and install Automatic Rainfall and Synoptic Stations in the amount of two hundred thirty-nine thousand seven hundred fifty-one United States Dollars (US\$239,751.00).

The Commission, upon review of your submissions, highlights the following:

- That the EPA submitted hard copies: bid documents, bid evaluation report, procurement committee meeting minutes, bid opening minutes, copy of notification to award, letter of rejection, etc.
- That this procurement was duly planned for in the EPA's approved procurement plan;
- That Curry Transport Services submitted the lowest bid price of US\$239,321.472, but a review of their submissions reveals that it was not technically responsive consistent with the EPA's published predetermined criteria set forth;
- That Bleco Group was deemed most responsive to the preliminary and technical evaluations as per the EPA's BEP Report and the Commission's findings.

The Commission, upon overall review of your submission, renders "No Objection" for the Environmental Protection Agency (EPA) to award contract to Bleco Group to procure and install Automatic Rainfall and Synoptic Stations in the amount of two hundred thirty-nine thousand seven hundred fifty-one United States Dollars (US\$239,751.00).

The Public Procurement and Concessions Commission admonishes and deems it a priority that you remain, primarily, in compliance with the PPCA, 2010, as we jointly aspire to achieve Transparency, Accountability, Fairness, Equality and ultimately public confidence in our procurement and concessions processes.

Best regards,
