Dear Dr. Jallah:

Subject: PPCC RESPONSE: REQUEST FOR "NO OBJECTION" FOR THE MINISTRY OF FINANCE AND DEVELOPMENT PLANNING INTENT TO AWARD CONSULTING SERVICES CONTRACT FOR DESIGN AND HOSTING OF WEB BASED BIOMETRIC DATA MANAGEMENT - FISCAL YEAR 2025

We present our compliments and wish to acknowledge receipt of your letter which sought the approval of the Commission for the Ministry of Finance and Development Planning (MFDP) intent to award a consulting services contract to Smart System for the Design and Hosting of Web Based Biometric at one hundred ninety-nine thousand fifty United States Dollars (199,050.00).

The Commission, upon review of your submissions, highlights the following:

- That the MFDP submitted hard copies: standard RFP documents, published REOI, evaluation report, procurement committee meeting minutes, bid evaluation panel report, copy of notification to award, etc.;
- That the MFDP has an approved procurement plan for this request;
- That the MFDP published its REOI and two national firms submitted; Smart System and Mwetana Consulting;
- That Smart System was deemed most responsive to the technical and financial evaluations as per the MFDP's BEP Report and the Commission's findings.

The Commission, upon overall review of your submission, renders "No Objection" for the Ministry of Finance and Development Planning (MFDP) intent to award a consulting services contract to Smart System for the Design and Hosting of Web Based Biometric at a cost of one hundred ninety-nine thousand fifty United States Dollars (199,050.00).

The Public Procurement and Concessions Commission admonishes and deems it a priority that you remain, primarily, in compliance with the PPCA, 2010, as we jointly aspire to achieve Transparency, Accountability, Fairness, Equality and ultimately public confidence in our procurement and concessions processes.
