Republic of Liberia

Dear Hon. Dukuly:

Subject: RECEIPT AND APPROVAL OF THE NATIONAL PORT AUTHORITY ADDENDUM PROCUREMENT PLAN AND REQUEST FOR "NO OBJECTION" TO USE THE SINGLE SOURCE METHOD OF PROCUREMENT TO AWARD CONTRACT TO GRIT INNOVATIVE SOLUTION SERVICES- FISCAL YEAR 2025

We present our compliments and wish to acknowledge receipt of your letter which sought the approval of the Commission for the National Port Authority (NPA) Addendum Procurement Plan for Fiscal Year 2025 in accordance with Section 40 of the PPCA, 2010. The Commission, upon review of your documents informs you that your Procurement Plan has been approved and will be duly forwarded to the Ministry of Finance and Development Planning (MFDP), and that the MFDP will process allotments in keeping with the approved Procurement Plans.

Additionally, the Commission approves the NPA request for "No Objection" to single-source Grit Innovative Solution Services for the renovation of NPA's Warehouse (Africa Impex) consistent with Section 55 (d) of the PPCA.

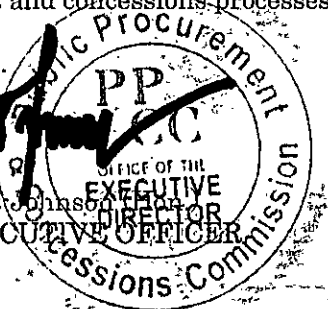

The Commission counsels that you observe Section 40(5) of the PPCA, 2010 which states "each Procuring Entity, shall, on a quarterly basis and whenever it becomes necessary, review and update its procurement plan. The Commission and the Ministry responsible for finance should be notified in writing of any material changes in the procurement plan and provide with a copy of the updated procurement plans."

Please note that an approval of a method on the procurement plan is deemed as the Commission's full approval and as such a Procuring Entity will not be required to again request the use of said approved method.

The Public Procurement and Concessions Commission admonishes and deems it a priority that you remain primarily in compliance with the PPCA, 2010, as we jointly aspire to achieve transparency, accountability, fairness, equality and ultimately public confidence in our procurement and concessions processes.

Best regards,

Subject: Request for No Objection to Single Source: Renovation of NPA Warehouse (Africa Impex)

Dear Hon. Johnson:

I present to you my compliments and through this medium, request the Commission's approval for: No Objection to Single Source **Grit Innovative Solution Services** for the urgent renovation of a **114ft X 113ft** damaged warehouse at the Freeport of Monrovia to enable the safeguarding of several Port Equipment that are currently in the country. These pieces of equipment are not to be exposed to rain and must be properly preserved. The total cost of the repair/renovation is **eighty-three thousand two hundred and forty-nine United States Dollars and thirty-six cents (US\$ 83,249.36)**.

Hon. Executive Director, with the risk associated with having these pieces of equipment exposed, couple with the intensity of the renovation work which will include deroofing and reroofing, excavation and improving drainages to stop the current flooding, provision of electricity alongside other related work as provided for in the technical specifications or bill of quantities, the prompt approval of the Commission is highly needed.

In view of the aforementioned, and in accordance to section 55 (d) of the PPCA of 2010, we are requesting the Commission's prompt approval of our request for No Object to single source: **Grit Innovative Solution Services** for the immediate **Renovation of NPA Warehouse (Africa Impex)** in order to avert any damage of these pieces of equipment which could affect port operations at the National Port Authority.

We have enclosed all relevant documents for your review as we look forward to your cooperation.

Sincerely,

Sekou A. M. Dukuly
